ART THERAPY

FOR INDIVIDUAL PRACTITIONERS  
AND PROFESSIONAL ASSOCIATIONS

**COME  
TOGETHER  
TO SHAPE  
THE FUTURE  
OF ART  
THERAPY  
IN EUROPE**

The European Federation of Art Therapy (EFAT) is an international non-profit association under the Belgian law that aims to unite Art Therapists and professional Art Therapy associations from geographical and political Europe.

EUROPEAN  
FEDERATION OF  
ART THERAPY

## EFAT AIMS

- To unite art therapists and professional art therapy associations in Europe
- To promote further development of professional practice, training and research, and the recognition of the profession
- To nurture mutual respect of diversity and to foster collaboration and contributions between member countries
- To work towards European wide recognition and parity / fair remuneration of Art Therapy as a profession
- To assure and promote the quality of Art Therapy practice and training for the benefit of clients, professionals and institutions

## EFAT OFFERS

- Accessible membership and conference fees
- Europe-wide networking opportunities
- Exchange and collaboration in working groups and committees
- Creation of synergies for research projects
- Organization of meetings and of a big bi-annual conference
- Online publications...

## MEMBERSHIP

EFAT has two main member categories:

• Full members: individuals, pioneers and national associations

• Associate members: students, affiliates (individuals and organisations) and honorary members

## ORGANISATION

EFAT consists of a Board of Administrators and currently has six Committees that specialize in an area of work important to EFAT's core values – Application Review, Communications, Conference, Ethics, Professional Development and Research. The chairs of each committee together with the Secretary-General compose EFAT's Council.
